

Professional Profile

Janet Onley
Owners Corporation Manager

“Driven by the diversity of the role, I am dedicated and committed to working with Owner Corporation Committee to manage and improve their properties.”

Before joining CVA in July 2020, Janet has managed a multitude of properties across Melbourne ranging from medium to high rise density, mixed-use residential and commercial Owners Corporations. With a background in hospitality and over 3 years’ experience as an Owners Corporation Manager, Janet is excited about establishing her career as an Owner Corporation manager at CVA.

Janet prides herself on her professionalism, customer service and work ethic. She is dedicated and committed to working with Owners Corporations’ to manage, administer and improve the common property, ensuring a sound investment and ultimately driving up the value of their asset.

Janet is driven by the diversity of the role and fueled by a fast-paced environment. She is passionate about continually developing her skills and knowledge of the industry.
